

WELCOME TO

Welcome to Jamestown, where the beautiful, sparkling waters of Narragansett Bay greet you on your arrival by car or boat. Stroll down to enjoy the inviting restaurants and unique shops in our quaint village, and have lunch at an outside café or restaurant. For those coming by boat, there are three marinas here to serve your needs.

With more than fourteen eating spots here, you're sure to satisfy your mood for food. From fine dining to casual, there's a great selection - gourmet to deli, bakery treats to ice cream, pizza, and even an authentic brick oven bakery. And for those seeking accommodations, our lovely downtown is a short walk from a historic inn and inviting B & Bs.

Please use this handy guide to find the many attractions here, including forts to explore, working farms, museums and historical sites, a windmill, art galleries, and one of the oldest working lighthouses in the country, Beavertail. Outdoor enthusiasts can swim at Mackerel Cove beach, enjoy a picnic lunch at one of our state parks, venture out on bikes or kayaks, go bird watching, or hike one of the many nature trails.

All year round there are special events to enjoy in Jamestown, beginning with the Penguin Plunge on New Year's Day and

JAMESTOWN

continuing on with parades, fireworks, theater presentations, concerts, arts and crafts festivals, and also sailboat, kayak, and bike races.

The map in the centerfold will help you get around town, and an aerial island map on page 27 will orient you to various sites.

We hope you enjoy your time in Jamestown!

Bruce Keiser
Town Administrator
